Bioclear Black Triangle Hands-On Certification Course

Please find below information for the course.

Course Overview:

This three-part hands-on certification course will teach you how to treat black triangles, gingival recession, root abrasions, and perform confident restorations. In small interactive classes, the delegates will learn the 5 pillars of the Bioclear Method, and focus on the injection moulding composite technique using heated 3M Filtek composite materials when treating black triangles. The course will also instruct delegates on how to create restorations with invisible margins and a mirror-like finish with the Bioclear polishing technique.

In becoming a certified Bioclear black triangle dentist, you'll increase your overall skill and knowledge of Bioclear and learn to market your new skills to patients.

The course utilizes HeatSync heaters, 3M Filtek Supreme XTE composite materials with different sizes of Bioclear Black Triangle Matrices.

3-Part Black Triangle Course Certification: 9 hours CPD.

Part 1: Theory (Oral Health Article and Rubber Dam video followed by online "Aesthetic Dilemma Quiz") **This will be emailed to you approx. 10 days before the hands on course**
Part 2: 1-Day Hands-On course
Part 3: Submission of 1 upper and 1 lower Black Triangle case

Part 1: Theory

- Read the September 2019 Oral Health Article
- Watch the Rubber Dam Video
- Complete the "Aesthetic Dilemma" quiz online
- You will be provided with all the links and information prior to the course day.

Part 2: Hands-On Course Day Agenda:

8.30 – 9.00am	Registration & coffee
9.00 – 10.30am	Introduction to the Bioclear Method – to include background/philosophy, Biofilm removal, anatomical Bioclear matrices, Bioclear Method including injection moulding for Black Triangles
10.30 – 11.00am	Coffee Break
11.00 – 1.30pm	Upper Anterior Black Triangle Practical - canine-canine - Bioclear matrix selection + placement + injection moulding + finishing
1.30 – 2.00pm	Lunch
2.00 – 4.00pm	Lower Anterior Complex Black Triangle Practical – lateral-lateral - combination of Root Overlay restorations with Black Triangle closure + Bioclear Rock Star Polish
4.00 – 5.30pm	Clinical cases including advanced cases, Bioclear Method summary, Bioclear curriculum

Part 3: Case Submission Requirements to Complete Black Triangle Certification:

1. Submit a power point presentation of 2 cases:
    1. Maxillary black triangle treatment
    2. Mandibular black triangle treatment
2. Each case needs:
    1. Pre-operative photo
    2. Pre-operative X-ray
    3. Process photo with rubber dam and matrices
    4. Post-operative Photo
    5. Post operative X-ray
    6. Extra credit will be given for any additional process photos
3. The treatments should demonstrate a smooth finish, a lack of voids or overhangs on the X-rays or photographs, and an Infinity Edge Tooth-Restorative Interface

Learning Objectives:

- Learn the five pillars of the Bioclear Method for black triangle restorations
- To have an understanding of Biofilm removal
- Learn the injection moulding technique using warmed/liquified flowable and paste 3M Filtek composite materials
- Create restorations with invisible margins and a mirror-like finish
- Understand how to eliminate bad negative space with additive dentistry
- Learn to rejuvenate the teeth for a youthful appearance
- Combine black triangle treatment with Class V abrasions with the root overlay.

- Understand how to avoid common mistakes that lead to less-than-satisfactory results when performing anterior restorations

GDC Development Outcomes:

A:
Improving understanding of direct composite treatment options for patients with Black Triangles.
B:
Improved diagnosis and treatment Black Triangles with direct composite dentistry
C:
Current concepts in direct composite restorations
Concepts of the Bioclear Method
Concepts of Biofilm removal
Concepts of Monolithic composite restorations
D:
Essential knowledge for predictable black triangle direct composite restorations

Following the course we will email you a link to complete your course feedback. You will then receive by email, your 9 hour Verifiable CPD Certificate.

You will receive your Black Triangle Certification Certificate after submission and approval of your cases.

If you have any questions regarding the course, please contact us at: support@bioclearmatrix.co.uk

Kind regards,
Dr Claire Burgess.
